

Beatriz Jaime Gomory

Profile:

I was born in Mérida, México on June 16, 1997.
I am a 6th-semester student of Multimedia Design at Anáhuac University.
I consider myself a person with good skills in the digital, multimedia, and design field. I like to interact with people, I find interest easily in new things and learn fast.
Throughout my life, I have adopted as main values: empathy, honesty, discipline, and respect.
